

LEARNING ASSISTANCE PROGRAMME INDIVIDUAL STUDENT LAP PLAN

This plan is designed to:

- Record initial goals and plans
- Assist in ongoing planning, evaluation and review

The LAP PLAN will be developed in consultation with the classroom/specialist teacher, LAP volunteer and LAP Coordinator/team. A copy of the plan will be kept in the volunteer's planning records, LAP student/volunteer files and by the classroom teacher.

The LAP PLAN will be reviewed formally at the end of each term and modified where necessary to suit the particular requirements of the student. Ongoing contact and discussion between everyone involved throughout the term is encouraged.
